

ACCOUNTING

NEVER LOSE TRACK OF A PENNY

Manage your finances with premium accounting for agencies of all sizes.

BENEFITS

 **Track Commissions**
Track earned, owed, and paid commissions for both agency bill and direct bill policies, all in one place.

 **Manage Receivables & Payables**
Keep a tight handle on your A/R with the aging report. Never lose track of a payment with the payable work list or the one-step auto-pay function.

 **Balance Your Premium Trust**
Manage the balance in your premium trust account. Easily separate your earned commissions from premiums and run reports to help ensure your premium trust is balanced.

 **Grow with Your Agency**
EZLynx Accounting can grow with you, supporting both the small agency with a single office and the large commercial agency with multiple branches.
