REDUCE MONTHLY COSTS

Pay-as-you-go

If you don't use it, you don't spend an extra cent.

Save on printing supplies

Since electronic document signing requires no paper or ink usage, so you'll be able to cut costs in those areas.

Stop buying postage

You'll also have less of a need for mailing supplies with all your "envelopes" being sent digitally.

SAVE VALUABLE TIME

Reduce time printing & scanning

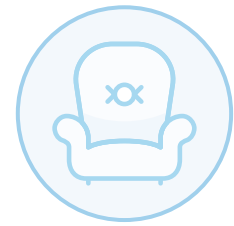

Cut down on printer, scanner, and fax machine use by digitally packaging all action items before sending to customers.

Cut out the post office

Gain independence by being able to send documents whenever.

Spend time where it counts

Save time for other tasks & issues by getting your documents signed electronically.

TAKE IT EASY

Have peace of mind

Keep a clear audit trail, as signatures automatically import, to reduce the risk of E&O.

Ease customer needs

Your clients are more likely to return documents in a timely manner if it is easy for them to do so.

Make it easy for producers

Agents will be able to send off action items with a few clicks.

ACCESSIBILITY

Consumers can receive & sign documents from mobile devices

SECURITY

Two-part authentication

Certified signatures

Electronic Signatures in Global & National Commerce Act (ESIGN) Compliant

Uniform Electronic Transactions Act (UETA) Compliant
