POSTAL MAIL

MAIL DOCUMENTS IN A FEW SIMPLE CLICKS!

Connect with your customers more effectively,
and expand your marketing reach.

BENEFITS

Save Time

Don't waste time stuffing envelopes; focus more time on your customers. Engage with your customers through another channel of communication.

Increase Productivity

Insurance technology is evolving rapidly. Improve your productivity and save time for more important tasks by becoming one step closer to a paperless office.

Save Money

You won't need to use a printer, paper, envelopes, stamps, or take a trip to the post office for certified letters anymore! With EZLynx Postal Mail, you can send certified mail, and receive digital confirmation of signature and delivery from within EZLynx.

Protect Yourself

Keep better records for E&O by letting EZLynx log and save your mailing history forever. Even a regular first class letter can be tracked all the way to its final post office destination prior to delivery.

HOW IT WORKS

Only pay for what you use! Rates are determined by the number of pages, printing options, and the postage type.

Step 1: Create a New Mailing Item

Select or upload your documents, choose your printing and postage options, and verify your mailing and return address.

Step 2: Review Your Proof

See exactly what your documents are going to look like before they are mailed.

Step 3: Click Send

Sit back and relax while we take care of the rest!
